

Sub-optimal care

- 0: No sub-optimal care
- 1: Minor suboptimal care
- 2: Significant suboptimal care
- 3: Major suboptimal care
- C: Comment only

Relevance of grade of care to outcome

- 0: Not relevant
- 1: Possibly relevant
- 2: Probably relevant
- 3: Almost certainly relevant

What:

- R: Failure to recognise problem
- A: Failure to act appropriately
- C: Communications failure
- S: Failure to supervise
- H: Any lack of human resource
- E: Any lack or failure of equipment
- O: Other (please specify)

Who:

- Type of Health Professional or carer involved (e.g. GP, Hospital Midwife, Obstetrician, parents).
- If more than one person for this factor, write on separate lines.
